

# Oahu Adventure Tours

Snorkeling and Hiking Tours

## February 2018 Staff Newsletter

Welcome back employees, as we start our 2018 Tourism season. I am pleased to announce our new owner Tim Azzano. Tim Azzano has been with the company for 25 years. He has appointed Brittany Lash as the Head Adventure Coordinator. She will oversee all Scheduling. Brett Caldwell will be the Head Hiking instructor. Brianna Arnold will be the Head Diving Instructor and Jennifer Casto will oversee the Photography team.

**Save the Date February 28 6pm** will be our annual Welcome Back Party in the banquet pavilion of the Oahu Luxury Resort. Dinner will follow a small presentation. Come meet your new fellow coworkers. Open Bar will be provided.

This year we will be offering Visitors the option to purchase a highlight video of their adventure. A camera crew will be accompanying each group to film their encounter.

Opening Hopefully next year will be the Stairway to Heaven Trail. Renovations are under way to repair the 3,922 stairs that lead up the imposing mountain ridge. We at Oahu Adventures are excited to announce we have secured ownership of the famous trail. It will be an honor to bring one of the

Island's greatest hiking Attractions back to life. That will bring our total to 3 hiking trails.

The Mountain Trail will be receiving some much-needed repairs as well. Eroded areas will be filled, and handrails will be installed to further ensure the safety of our guests.

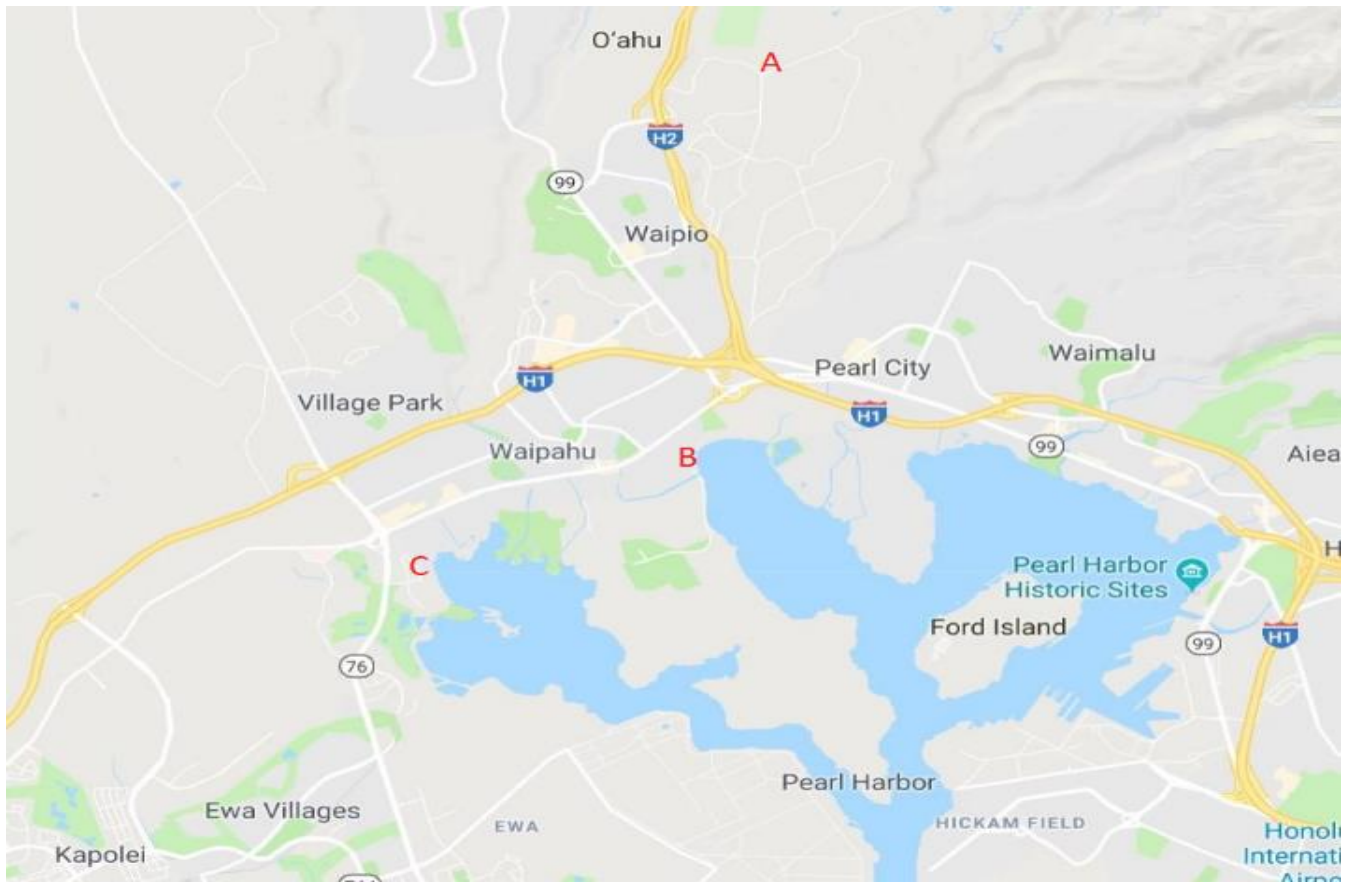

I am pleased to announce Oahu Adventures has acquired 2 new locations along Waikiki Beach expanding our diving areas for the Beach Bob and Coral Crawl. We have teamed up with Aloha Sea Scapes to help bring our new underwater area to it fullest potential.

New this year to Oahu Adventure Tours we will be offering Fluorescent night diving. As the sunsets the coral reefs become alive. Morey eels and Seahorses look strange and alien-like.

Training for this new technique will be held on Tues and Thurs starting in March at dusk. The training session will last for one hour after sunset. The goal of the training session will also be to map out the health of our coral reef. Alive healthy coral glows brightly. Our underwater photographer, Jennifer Casto will be using our new Nauticam Olympus to film each dive. Masks with yellow filters and blue diving torches are on order.

Please see the attached map for the Addresses of our new locations.

A. Oahu Adventures Hiking Center – 1275 East Range Rd. Waipahu, HI 96797

B. Oahu Adventures Coral Crawl – 238 Kane Haul Rd. Waipahu, HI 96797

C. Oahu Adventures Beach Bob – 80 Leokane St Waipahu, HI 96797
